Dean's Message

上海财经大学 副校长 商学院 院长 孙铮 教授

"厚德博学,经济匡时"作为上海财经大学的校训体现了一种责任,一种精神, 一种志向。强调了商界精英们在充满希望、挑战、风险和诱惑的经济生活中,如 何与诚正保持虔诚,与信义保持默契;如何判断虚实,厘清真伪;如何受人之托, 忠人之事; 如何敢为人先, 匡助经济, 补益社会, 造福人类。

作为中国最早的商学研究高等学府,上海财经大学商学院时刻谨记我们的使 命:为研究商学而设;为培植商业人才而设;为领导商人而设;为构建社会伦理 和传播商业文明而设。在世界经济发生巨变、中华民族正在腾飞的今天,我们必 须继承先辈事业,整合各方资源和力量,瞄准世界一流商学院的目标,紧随国际 现代高等商科教育的步伐,创新商学院建设,培养具有导向能力和组织能力、具 有全球视阈的商界领袖,以先进和深厚的商学理念、思想和行为,去贡献于、回 报于、造福于、感恩于人类社会,为中国乃至世界经济的交融和发展贡献我们的 力量。

Dean, WALKER School of Business and Technology,

We live in a time, we live in a place where the popular belief is "show me the money." People lead by following. They wait and watch to see the direction that everybody is going and then quickly get in front of others. There is something wrong here because the drama of life demands that we all stand for something—relevance, meaningful contributions, making a difference, being the difference. I am convinced beyond a shadow of doubt that this nation is ready for your generation to move China from success to significance, and what China needs today is your capacity to embrace a cause that is greater than all of you. If it were easy, it wouldn't be a challenge to succeed. This will demand courage. Your lasting contribution is the footprints you leave behind.

One of these days you will be dealt a bad hand. Failure, disappointments, and setbacks will come your way. And when those trying times come, how you thrive will not depend on what you know but on strong foundation anchored on values that are everlasting, family friends community and nation. You will be true catalysts in the great drama of life.

项目概况

Program Overview

The International MBA (IMBA) Program by Shanghai University of Finance and Economics (SUFE) and Webster University (Webster) was recognized by the Chinese Ministry of Education (MOE) in 1996, which is one of the first IMBA programs recognized by MOE. The program aims at cultivating business leaders with a global perspective and cross-cultural management talent.

The curriculum and teaching methods meet international standards. The courses and lec-

tures are professional and cutting-edge, based on leading U.S. MBA programs. The program is conducted in small classes and taught in English. Courses are thorough, given in 9-week semesters. The goal is deep learning and student skills. Students have enough time to accumulate knowledge on an every-week basis.

Student centered, we adhere to the belief of life-long education. Students have a variety of overseas study tours and take part in international exchange trips, making this program unique. Students and alumnus are the greatest wealth of the business school, which is the reason our program provides opportunities for life-long education. Students and alumnus participate in outstanding monthly lectures and discussions. The relationship of cooperation between the College of Business in SUFE and Webster University will be further enhanced by regular teacher-student communication programs.

Instructors in the IMBA Program are selected from both SUFE and Webster University. Half or more are foreign professors. High quality teaching and over 1700 outstanding graduates have made great contributions to China's economic and social development. We believe our IMBA program has been one of the most influential international MBA programs in China.

本科毕业十年后,才有幸在夏校长的介绍下,念了咱这么有特色的国际 MBA。通过两年的上财商学院国际 MBA 的学习后,无论是在工作还是生活上,都能感受到明显的变化。同时,在上财国际 MBA 中的各项活动及回忆,点滴尽在心中,工作后能够再次回到校园,这是我一生中最美好的回忆之一!

Benson Wang Bicheng Magna Closures, General Manager of Greater China 2001 Alumnus

This MBA program was very instrumental for me when I was the Operations Manager of a famous fortune 500 company, prior to that, I had been exposed with a lot of experiences on manufacturing disciplines such as Quality, Supplier Management, Project Management, as well as Operations. Occasionally, I could touch lightly on areas of business Development, Financial/Costing etc, but not in a good command of understanding.

SUFE-Webster MBA was perfectly complementary for me back in 2001 when I was advancing to a general management role in a world-wide manufacturing. I benefited a lot from this MBA's well selected courses, especially from its unique strengths of Finance Management, Marketing, Business Law etc., Even today, from time to time, I still go back to looking into those books as well as my study notes when I encounter some puzzles.

Another highlight I would like to share is that I have been learning a lot from our high talented classmates, they are now taking different executive roles in different organizations, we are still networking and helping each other. I am proud of being part of the great team!

The past 18 months is the most precious time I ever had in years. This program will not only offer you advanced knowledge about Finance that is shared by predominant professors from China and USA, in a systematic way, but also the chance where you can discuss and debate with your classmates through a lot of case studies and group assignments in the classroom as well as networking outside the campus. Here different people with variety of background will share with each other about study, work, and life.

This is a part-time IMBA program, but I have to say, I had spent most of my spare time on it. It is worthy while. Completing the IMBA program is not an end, rough, it is a start: a new beginning to ponder on what is life, and to pursue the life of my dream. This IMBA program opened a brand new door for me.

I hope you guys could find yourself here and gain what you want from this MBA program successfully.

蒋薇 艾默生中国区市场与品牌传播经理 2013 届校友

20 个月的读书生涯,让我可以静心自我修复和调整,但同时也是对生活和工作平衡的一种挑战,这个不断积累和上升的奋斗过程,为之后的工作和生活做了丰富的铺垫,人生的每一段提升和前进,都受益于前一段旅途的辛勤付出。这段学习的宝贵时间,不仅让我结识了一群视野开阔,满怀激情的小伙伴,也为我铺就了一个更加有内涵的延展平台。

希望我能够继续保持这种不断前进的激情,开拓更加精彩的人生。

王晓燕 艾溪企业营销策划(上海)有限公司 CEO 2014 届校友

如果说从知识到能力是考验 MBA 教育成功的角度,那我觉得这是财大与韦伯斯特国际 MBA 教育的一大特点,润物细无声,我学到有关于成本、投资、公司价值、期权等等数不尽的看似枯燥的概念性的知识都在日常工作中找到了生根发芽的土地,转化成我自身的洞察力、判断力和决策力的一部分。还记得老师说过的话:"你们需要的不是一张文凭,而是有含金量的能力。"

然而,知识并不是最重要的,最重要的是经历了国际 MBA 的教育,我变得更融入了,心态更开放,更成熟,更自信,也更懂得感恩和珍惜!这一切要感谢财大与韦伯斯特国际 MBA 大家庭的温暖及其精益求精的努力,老师的敬业与专业,校友的开放与进取!
